

**Congress of the United States**  
**House of Representatives**

March 6, 2007

Dear Republican Colleague:

The Republican Page Program is now accepting applications for the SUMMER 2007 Page Session. Summer Session I will begin June 10, 2007 and conclude June 29, 2007 and Summer Session II will begin on July 8, 2007 and conclude August 3, 2007.

If you are interested in sponsoring an applicant for one of the Republican Page appointments, please submit your best-qualified candidates' completed written applications to my office, H-204, The Capitol, by April 18, 2007. You may only submit a primary and an alternate candidate - **please do not submit more than two applications**. Applications will not be accepted after April 18th.

All applicants must complete the enclosed application form and provide the following; social security number, signed parental consent form, official transcript of all high-school grades to date, a 250-300 word essay on why they want to be a Congressional Page, resume of extra-curricular activities and three letters of recommendation (one from a current teacher). Completed applications are to be returned to your office. Your office should then forward your best-qualified candidates' applications along with your own letter of support and sponsorship for the student. Appointment notification will be made to your office, not the student directly. Page Applications are NOT available online.

To be qualified to serve as a Page, all applicants must be at least 16 years of age at the time their appointment begins and have a cumulative grade point average of a "B" or better ("B" is a 3.0 or 80/100) in the five major subjects. **Those students not meeting the GPA requirement will NOT be considered.** Additionally, summer page program applicants may only serve as a Page during the summer before or the summer after their junior year of high school. A Republican Member of the House must sponsor all applicants in writing.

Applicants will be notified of their selection through the sponsoring Member's office. If you have questions or need further information, please call Amy Lozupone or Meredith Sawyer at (202) 225-4000.

Sincerely,

A handwritten signature in black ink, appearing to read "John", with a long, sweeping underline that extends to the right.

John A. Boehner  
Republican Leader

## REPUBLICAN PAGE PROGRAM INFORMATION

Currently sixty-six young men and women are appointed by their Member of Congress to serve as Pages in the U.S. House of Representatives. Twenty Four slots are reserved for Republican Pages.

To be eligible for the summer program, applicants must be 16 years of age at the time of their appointment, have a "B" average or better, and be willing to serve as a page for approximately one month during the summer before or after their junior year of high school. The definition of a "B" average is a 3.0 on a 4-point scale, or an 80 or better on a 100-point scale. Summer applicants who do not meet the minimum GPA requirement may have their application reviewed by the Page Board for consideration. Applicants should submit a completed application to their Member of Congress for review and recommendation. The Republican Leader's Office will not accept applications from students directly – **ONLY MEMBERS OF CONGRESS MAY FORWARD AN APPLICATION.**

An official transcript of all grades (from 9th grade through at least the first semester of the current year) is required to verify the cumulative grade point average of "B" or better in the major courses. Only grades in the following subject areas will be included in the GPA tally: English, science, mathematics, social studies, and foreign language – **ELECTIVES ARE NOT INCLUDED.**

Along with the application form and transcript, the following items are required: social security number, a signed parental consent form, a 250-300 word essay on why they want to become a Congressional Page, a resume of extra-curricular activities, three letters of recommendation (one from a current teacher), and a letter of support from the sponsoring Republican Member of Congress. Member must also submit a Member Certification form indicating their knowledge of sponsorship of the student. The committee will consider only complete applications submitted in writing by a Republican Member.

The workday begins at 9:00 a.m. for summer Pages and extends to at least 5:00 p.m., or until the House adjourns for the day – whichever is later. The Pages report to their Page Supervisor where the first order of the day may be filing the *Congressional Record* from the previous day's proceedings. The Pages serve primarily as messengers, delivering legislative material between the various buildings of Capitol Hill. During the course of the day, the Pages accumulate points for "runs" (or deliveries). Those with the highest number of points may be excused early when the House goes into late-night sessions.

The dress required for males is a navy blazer, long sleeved white shirt, dark gray slacks, dark socks, dark shoes, and a standard issue tie. For females, a navy blazer, long sleeved white blouse, dark gray skirt or dark gray pants, dark shoes, appropriate hose, and a standard issue tie are required. The ties, which are provided during orientation, are navy with red and white stripes.

Pages are required to live at the Page Residence Hall, 501 First Street, S.E., under the supervision of a director, assistant director, and four proctors who reside on the premises. The first floor is set aside for males and the second floor for females.

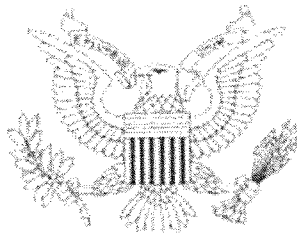

The triple rooms are furnished with twin beds, dressers, desks, and chairs. Each of the rooms has a large walk-in closet, a study area, toll-controlled telephone, private bathroom, and three air-conditioning units. A community room with color television is available on the first floor. A kitchen and pantry area is also available for Page use. A laundry room, study room, computer room, and fitness room are all located on the second floor.

The pages are paid approximately \$1,939 gross per month, with an automatic payroll deduction of \$400 to cover the cost of the dorm and five breakfasts, five lunch and seven dinner meals per week. It will be prorated for less than a month. They are responsible for their transportation to and from Washington and their uniform. In addition, a one-time refundable security deposit of \$100 payable to the U.S. Treasury is required for the dorm.

*Please keep in mind that Pages are employees of the U.S. House of Representatives, and are an important part of the legislative process. Before making your decision to become a page, it is imperative that you understand that all family activities, as well as home school and community activities, which would interrupt your Page School and/or work activities must be put on hold until you are no longer a Page. Pages will not be permitted to return home to attend family reunions, parent promotion ceremonies, family trips, home school activities such as conferences, sports events, proms, etc., if they occur during the work week.*
